Fishing Patterns

Please note that these are guidelines only as varying fishing quotas clearly affect normal fishing patterns, as limits put on certain species force fisherman to target alternative stocks.

Season	Fleet 1: Eastbourne & Newhaven	Fleet 2: Broadstairs	Fleet 3: Brighton & Newhaven	Fleet 4: Newhaven
January, February & March Affected by the weather, if it's very cold, fish move to deeper water and out of range. Cod landings will be dependent on quotas, which have been scarce. Fisherman may focus on Scallop to preserve other quotas.	Main Catch: Cod, Whiting, Dover Sole & Scallops (which are at their best) Also: Lemon Sole, Brill, Turbot, Spratts, Herring	Main Catch: Cod, Skate, Dover Sole & Scallops (which are at their best). Also: Herrings	Main Catch: Cod, Scallops, Dover Sole, Bass, Squid, Lemon Sole, Plaice, (although quality not at it's best yet). Also: Conger, Skate & Brill	Main Catch: Cod, Whiting, Dover Sole & Scallops Also: Lemon Sole, Brill, Turbot, Spratts, Herring
April & May Milder weather, other species starting to come through, such as Seabass and Cuttle. There is a fishery for scallops all year, but they have no roe from April to November.	Main Catch: Cuttlefish & Dover Sole Also: Brill, Turbot, Plaice and Bass. Can also be large landings of Black Bream	Main Catch: Cod, Skate, Dover Sole & last of Scallops. Cuttlefish from May. Also: Grey Mullet late April, Bass, Crabs & Lobsters	Main Catch: Dover Sole, Lemon Sole, Plaice, Cuttlefish, Squid. Also: Conger, Black Bream, Mackerel, Brill & Turbot	Main Catch: Cuttlefish & Dover Sole Also: Brill, Turbot, Plaice and Bass. Can also be large landings of Black Bream
June & July Main Lobster season	Main Catch: Dover Sole, Lemon Sole, Bass, Plaice and Mackerel. Lobsters Also: Brill, Turbot & Skate in larger quantity	Main Catch: Skate, Dover & Mackerel. Also: Grey Mullet, Crabs, Lobster & Local Samphire. May also have small quantities of local prawns July-Aug	Main Catch: Dover Sole, Lemon Sole, Plaice, Cuttlefish. Also: Conger, Black Bream, Grey Mullet, Brill, Smoothhound (becoming more plentiful) Gurnard, Turbot & Lobster	Main Catch: Dover Sole, Lemon Sole, Bass, Plaice and Mackerel. Lobsters Also: Brill, Turbot & Skate in larger quantities
August High Summer, which can make August a very quiet month.	Main Catch: Dover Sole, Lemon Sole, Plaice and Mackerel.	Main Catch: Skate, Dover Sole, Lemon Sole & Mackerel Also: Grey Mullet, Crabs, Lobster & Local Samphire	Main Catch: Dover Sole, Lemon Sole, Plaice, Cuttlefish. Also: Black Bream, Red Mullet, Grey Mullet, Smoothhound (becoming more plentiful) & Lobster	Main Catch: Dover Sole, Lemon Sole, Plaice and Mackerel.
September, October, November, December Better quality Lobster and some of the heaviest fish landings. Larger Dover Sole and Plaice at their best.	Main Catch: Dover Sole, Lemon Sole, Plaice, Bass and Cod. Can have bigger catches of Bass as they shoal up ready to move to warmer waters. Also: Squid, Red Mullet, Whiting	Main Catch: Skate, Cod & Larger Bass. Also: Crabs, Larger Lobster & Squid	Main Catch: Dover Sole, Lemon Sole, Bass, Plaice, Cuttlefish & Skate Also: Smaller Black Bream, Mackerel, Conger, Grey Mullet, Smoothhound, Crab, Lobster, Squid Turbot. First of Scallops, without roe.	Main Catch: Dover Sole, Lemon Sole, Plaice, Bass and Cod. Also: Squid, Red Mullet, Whiting
